

WINK+ GO Terms and Conditions

1. WINK+ GO is a WINK+ app feature that allows motorists to earn points when they pass through an operational Electronic Road Pricing (ERP) gantry.
2. To earn WINK+ points via WINK+ GO:
 - a. New users must download the WINK+ app, register a user account and key in the 16-digit CAN ID of the NETS FlashPay Card / NETS Motoring Card that is inserted in their In-Vehicle Unit (IU).
 - b. Existing WINK+ users must key in the 16-digit CAN ID of the NETS FlashPay Card / NETS Motoring Card that is inserted in their In-Vehicle Unit (IU).
 - c. The 16-digit CAN ID is found at the back of the NETS FlashPay Card / NETS Motoring Card.
3. WINK+ points will be awarded only to users who have keyed in a valid CAN ID number.
4. WINK+ points will be awarded to users only when the NETS FlashPay card / NETS Motoring Card is inserted in the IU at the time of passing through an operational gantry. Otherwise, no points will be earned.
5. 1 WINK+ point will be awarded for 1 ERP transaction.
6. To redeem WINK+ points that are earned via WINK+ GO:
 - a. Please allow 1-2 working days for WINK+ points to be reflected in the app after passing through an operational ERP gantry.
 - b. On the WINK+ app home page, tap on 'WINK+ GO POINTS'. On the following page, tap on the advertisement banners to redeem points
 - c. There will be one advertisement banner for every ERP transaction. User will need to tap on each banner to redeem all the points.
 - d. All points must be claimed within 24 hours in order for WINK+ points to be valid. Unclaimed points will expire after 24 hours.
 - e. Go to the WINK+ app home page to view your updated points.
7. WINK+ points are not transferable or exchangeable for cash or kind.
8. All WINK+ users are also bound by the detailed Terms and Conditions.
