

Gain Access to the Malaysian Tourist Segment with NETS

Discover how MyDebit can boost your business revenue

What is MyDebit?

MyDebit is a Malaysian debit card scheme or ATM card issued by over 22 banks.

Close to **1 million** tourist arrivals

Singapore is one of Malaysia's Top Holiday Destinations

Over **800 million** in tourism receipts

Gain Incremental Business

- Leverage your existing NETS terminal to accept payments from Malaysian tourists
- Gain access to 43 million Malaysian debit cardholders across 22 banks in Malaysia

Convenience to tourists who are familiar with MyDebit payments

Attract Larger Pool of Customers From Malaysia

Entice tourists with more sales and promotions

How it Works

1) Accepting MyDebit cards for Payment

- Can be used for both PIN and contactless purchases
- A threshold of SGD 70 applies for contactless transactions

2) Currency Conversion

Customers can view the exchange rate applied, and the RM amount on their transaction receipt.

3) Settlement

You will receive your funds as per your usual NETS settlement cycle, the next day. View all your transactions in a single settlement report.
