WeChat Pay

NETS

Tap
into the
fast-growing
Chinese tourist
segment with
NETS QR

Using your existing NETS terminals or SGQR stickers, you can now accept mobile payments from Chinese customers

Streamline your payment solutions by working with NETS:

Allows WeChat Pay users to make payment by scanning your NETS QR. No need to maintain a separate terminal or QR sticker.

You will receive your funds as per your usual NETS settlement cycle, the next day. View all your transactions in a single settlement report.

Liaise with a single payment service provider for support

Accept WeChat Pay and gain access to millions of Chinese tourists

3 million

in 2017

Largest contributor to Singapore's tourism receipts since 2013, with spend of

$3.1 billion

for 3Q of 2017

Offer tourists the convenience of using payment modes that they are familiar with

Tourists never have to miss out on purchases due to insufficient cash

Tourists can avoid the hassles of managing spare cash/coins

What is
NETS QR

Your customers can now easily make payments to you by simply scanning your QR code with their mobile phone.

You can apply for your QR code via an SGQR sticker, and/or via your terminal.

With NETS QR, accept payment by users of the following mobile apps and wallets :

NETS Pay

DBS PayLah!

OCBC PAY ANYONE

UOB MIGHTY

## Offer QR payments and enjoy:

Incremental Business
Mobile payments allow you to attract customers who may not have enough cash

Improved Customer Turnover
Save on time required to insert card and capture customers PIN. Customers simply scan to make payment.

NETS' collaboration with WeChat allows WeChat Pay users to make payment by scanning the NETS QR code

How it works

1

Scan-to-pay
Consumer opens their payment app, and scans QR

2

Process Payment
Transaction amount is captured, and the WeChat app will convert and display the amount in RMB

3

Confirm Payment
The consumer confirms and transaction is complete

4

Payment Complete
For **NETS QR** on terminal, approval message is displayed and receipt will be generated For **SGQR** sticker, you will receive an approval notification on the NETSBiz App
