

Give business a boost with UnionPay App payments

Sign up with NETS to accept UnionPay App payments and digital wallets operated by UnionPay partners!

Your business can now tap on the large market of expats, students and tourists from China and South-East Asia.

The UnionPay QR code embedded within your SGQR label will allow payments from digital wallets operated by UnionPay partners. These include UnionPay App (China), K PLUS (KBank, Thailand), BOC (Macau), ICBC (Macau) and Military Bank (Vietnam), with many more to be added soon!

About The UnionPay App

A unified mobile payment portal of China, the UnionPay mobile app is developed and launched in collaboration with commercial banks and payment institutions.

Integrating mobile payment functions, special services and benefits, it is the secure and convenient one-stop mobile payment service users trust.

Your customer can easily pay by scanning your SGQR label with their UnionPay App and digital wallets operated by UnionPay partners.

How UnionPay App payments benefit your business

Pay as you use

You will only be charged transaction fees when a payment is made with the UnionPay App.

No additional monthly subscription fees.

Prompt settlement

Receive funds by the next business day and view all transactions in a single settlement report.

Convenient One-stop Shop

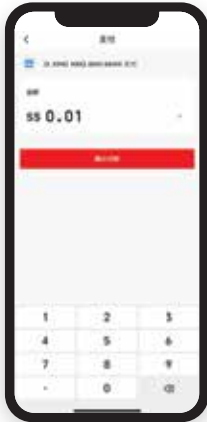

Single point of contact and support from NETS.

Accept QR payments from UnionPay partners

Let your customers pay with their **UnionPay partners' apps** by scanning the **SGQR** label.

1 Use UnionPay App to scan SGQR label

2

Enter the amount in **SGD**

3

Verify and confirm payment details

4

Customer authenticates payment through facial recognition or UnionPay App pin depending on their security setting.

5

Once payment is successful, you can verify the transaction via the NETS Biz app.

NOTE: This is only applicable for merchants who have subscribed to the optional feature of supporting UnionPay App on their existing SGQR.
