WeChat Pay

NETS

A woman with dark hair tied back, wearing a light purple dress with puffed sleeves, stands in a retail store. She is holding a purple smartphone in her right hand and several colorful shopping bags (green, orange, and pink) in her left hand. She is looking upwards and to the right with a slight smile. The background shows clothing racks and store interior lights.

**You can  
now accept  
WeChat Pay**

## **Sign up with NETS to accept QR payments from WeChat Pay**

Your business can now tap on the vast number of Chinese Tourists who visit Singapore yearly. The NETS QR code embedded within your SGQR label will allow you to accept QR payments from WeChat Pay. No additional set up or installations required!

## About WeChat payments

WeChat Pay and NETS have jointly developed a unified payment platform that allows your business to accept payments from Chinese Tourists. This integration of mobile payment functions allows fast and easy cross border payment, creating a secure and convenient one-stop mobile payment service that users and your business can trust.

## Benefits of accepting WeChat Pay

### Seamless Integration

Customers pay by scanning your NETS QR.  
No separate terminal or QR sticker needed!

### No subscription fees

Only be charged transaction fees when a payment is made with WeChat Pay.

### Prompt Settlement

Receive funds by the next business day and view all transactions in a single settlement report.

### Convenient One-stop Shop

Single point of contact and support from NETS.

# Accept QR payments from WeChat Pay

Let your customers pay with **WeChat Pay** by scanning the **SGQR** or **NETS QR** code generated on your **NETS terminal**, where applicable.

Here are the steps to generate NETS QR code on your terminal:

1

Enter purchase amount in **SGD** and select **NETS** as payment mode

2

Select **NETS QR** and wait for NETS QR code to be displayed on terminal screen

3

Customer scans **NETS QR** on the terminal using **WeChat Pay**

4

Payment is approved upon successful authentication

## Apply to accept WeChat Pay
