

Expand your customer base with digital wallet payments from Alipay+

Sign up with NETS to accept QR payments from Alipay+ partners' app

The NETS QR code embedded within your existing SGQR label, as well as the NETS QR generated on the NETS terminal will allow payments made from digital wallets operated by Alipay+ partners. These include Alipay (China, Hong Kong), Touch'n Go eWallet (Malaysia), Kakao Pay (Korea), Gcash (Philippines) and TrueMoney (Thailand), with many more to be added soon! Your business can now offer a more convenient and enhanced shopping experience for customers visiting Singapore from the entire region.

Alipay+ Payment Acceptance with SGQR label and NETS QR on terminal

Alipay+, a cross-border mobile payment and marketing solution by Ant Group, and NETS in Singapore have jointly developed a unified payment platform, integrating their mobile payment functions to allow cross border payments. Your business can now accept payments from more of your customers' favourite digital wallets, while also offering them a secure and convenient mobile payment experience.

Your customers can also pay by simply scanning your existing SGQR label or/and NETS QR on your NETS terminal with their Alipay+ digital wallet partners.
