

Your business can serve the growing community of Vietnamese living, working and traveling in Singapore. Your NETS QR within the SGQR label and NETS terminal are already enabled to accept QR payments from Vietnam digital payment apps. No additional setup and installation required.

About National Payment Corporation of Vietnam (NAPAS)

Through NETS' partnership with NAPAS, you can now accept QR payments from Vietnamese customers using supported Vietnam digital payment apps. Vietnamese visitors and business travellers in Singapore can easily pay at your existing NETS terminals and SGQR labels, giving you a smoother way to serve cross-border customers.

Accept QR payments from Vietnam digital payment apps

Let your customers pay with their **Vietnam digital payment apps** by scanning your **SGQR** label or by scanning a **NETS QR** generated on your **NETS terminal**, where applicable.

Here are the steps to generate NETS QR code on your terminal:

1

Enter purchase amount in **SGD** and select **NETS** as a payment mode

2

Select NETS QR.

3

Customer scans NETS QR on the terminal using their Vietnam digital payment app.

4

Payment is approved upon successful authentication.
