BCA

Acceptance Guide

Accept BCA Card payments with 5 easy steps

NETS terminals can be easily enabled to accept BCA cards as a mode of payment. BCA cardholders can make payments by inserting the card into the terminal's card slot and entering their card PIN.

1	2	3	4	5
Enter purchase amount in **SGD** and select **Other payment** as payment mode	Select **Others** as payment scheme	Select **BCA** scheme	Insert **BCA card**	**Payment is approved** upon successful authentication

How to void a BCA card transaction

Here are the steps to void a transaction from your terminal:

1 Select the **menu** button.

2 Select **BCA** scheme.

**3** Select **VOID** option.

4 Select **Retrieve From Terminal Log**.

5 Enter the **Sequence No. (Transaction STAN no)** from NETS receipt and press green button.

6 Enter **Reference No.** if terminal prompted. Press the green button to confirm and insert the **BCA card**.

7 Wait for **Approved** screen to confirm the transaction is **void**.

NOTE:

- You can void a transaction on the same day it took place.

- A void transaction can only be attempted once. If the transaction fails, you can issue a cash refund to the customer.

- Please record the details of any cash refunds and obtain the customer's signature as acknowledgement. In the event of customer dispute, this would serve as a supporting documentation.

Settlement via MerchantConnect Portal

Funds will be credited to merchant's bank account and displayed in **MerchantConnect Portal** within one business day for transactions made using **BCA cards** before 10.30pm. [T + 1]

For a consolidated view of your transactions, log in to **MerchantConnect Portal**. Transaction records for **BCA cards** payments can be identified as follows:
