

Dear valued merchant,

We are delighted to welcome you aboard your e-payments journey with Singapore's largest payment network.

As a NETS merchant, you can now offer your customers a wide range of contactless payment options.

Tap to pay with NETS Contactless ATM Cards

- No pin is required for transactions below \$100, meaning shorter checkout queues.

Scan to pay with NETS QR

- Customers can simply scan the NETS QR code on your POS terminal with their preferred mobile banking app for payment. It's quicker than cash!

In addition, you can enjoy the following benefits:

Fast settlements

By using NETS, you'll receive your sales proceeds directly in your bank account the next working day.

Business data at your fingertips

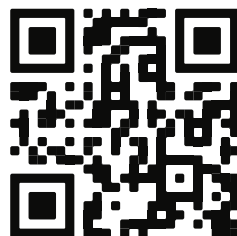

All NETS transactions are automatically tracked and monitored, meaning you can instantly access insights into your business performance anytime and anywhere.

Thank you once again for choosing NETS as your digital payment partner.

Let customers know you accept payments with NETS

Promote contactless payments and declutter your counter space at the same time with our POP materials!
Order them at no cost to you.

NETS

Point-of-purchase materials

Merchant Guide

Thank you for choosing NETS for your business!

This guide will show you how to best use our point-of-purchase (POP) materials to attract more customers, generate more sales and grow your profitability.

Keep these guidelines in mind...

The following POP materials should be prominently displayed on a main entry door or on a nearby window to signal acceptance.

Do not tamper with POP materials or overlap them with others.

Decals/ signs must be displayed at eye-level/ visibly so that a customer can see it easily from the outside as he/ she walks into or near your store.

- 1 Push & Pull Decal
- 2 Entrance Decal
- 3 Open & Closed Sign
- 4 Table Reserved Sign

The following POP materials should be displayed at the point of transaction to encourage the use of NETS for payment:

Do not tamper with POP materials or overlap them with others.

- 5 Wobbler
- various sizes available.
- 6 Cashier Counter Decal
- various sizes available
- customisation of scheme permutation is available.
